Subject: Addition of Additional Test Sites for multiple RF&M Products

PCN #: PCN-01631

Dear Valued Customer:

MACOM Technology Solutions has a goal of providing redundant manufacturing & test capability for increased surge capacity as well as an uninterrupted supply chain. In alignment with this goal, we are pleased to announce additional test capacity for the products below. Test capacity has been added at our MACOM-Taiwan facility as well as at our existing test subcon, Unisem in Malaysia. In accordance with MACOM Technology Solutions' customer notification policy, you are receiving this notice because you have purchased one or more of these products in the previous two years.
