3M has made the decision to discontinue these parts – numbering some 12,000 SKUs – because most of them had low or no sales. The 200-or-so parts which do sell in volume are being retained, but new stock numbers will be issued in a separate product change notice.

**Last Time Buy**

For the parts impacted by this EOL notice, 3M is offering a last time buy. Orders will be accepted until March 26, 2017.

If you have any questions, please contact your 3M representative for this product.  
Thank you for your understanding and continued partnership with 3M.

Sincerely,

**Lindsay Powell**
