Product Discontinuance Notification (PDN) No: 157221

Subject: Obsolescence of Voice Line Circuits Le88236DLC and Le88246DLC

Description:

Microsemi is announcing the discontinuance of the Le88236DLC and Le88246DLC Line Circuit devices.

Reason for Discontinuance:

The decision to discontinue these products was driven by diminished demand and no forecast volumes.

Customer Impact:

These devices are being removed from the Microsemi's product offering and will no longer be available for order after July 12, 2017.

Replacement Parts:

There are no pin compatible replacement devices. Devices similar in function are available from Microsemi. Please contact your local Microsemi Sales Office or visit the company web site for more information on these products.

Do Not Distribute Outside Microsemi Without Written Permission

Page 1 of 2

Last Order Dates: July 12, 2017

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than July 12, 2017. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: January 15, 2018

Microsemi will continue to ship last-time-buy orders as requested only through January 15, 2018. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuance:

Le88236DLC
Le88236DLCT

Le88246DLC
Le88246DLCT

Note: This is a list of Ordering Part Numbers (OPNs) as are found in product datasheets. Customers may track additional part number variants in their systems, so please consider this a base part list. (For example: LE88236DLC.E or LE88236DLC.JE)
