

September 11, 2015

Dear Valued Customer:

**Re: Change of Name of International Rectifier Corporation**

On January 13, 2015, Infineon Technologies AG acquired International Rectifier Corporation. As a follow-up to the acquisition, effective as of October 1, 2015 the name of International Rectifier Corporation (IR) will be changed to

**Infineon Technologies Americas Corp.**

This is a change in name only, and does not reflect a change in operations, facilities, entity, tax ID or registered address.

- You will continue to be served by your current account manager.
- Your checks should be mailed to the same address, and your wire transfers/ACH should be sent to the same bank account.
- Your shipments will continue to come from the same site.
- You will still deal with the same personnel you currently deal with.

As our customer you are very important to us, and we would like to make this transition as seamless as possible. Should you have any questions or concerns regarding the name change, please contact your IR representative.

We look forward to our strong continued business relationship.

Sincerely,

International Rectifier Corporation

Rainer Matern  
Senior Director Accounting,  
Controlling & Business Operations

Michael Cortez  
Director  
Accounting & Treasury

# Product / Process Change Notification

**Date:** Friday, October 30, 2015  
**PCR Reference:** 554  
**PCN Reference:** 554-PCN180-Public

## **To Our Value Customer:**

As always we appreciate your use of Infineon Technologies semiconductor products. Our commitment to customer satisfaction and continuous improvement is demonstrated by our change plans to enhance capacity, quality and reliability. This notice is to inform you of the following change:

We would like to express our sincere appreciation for your cooperation regarding the following changes, and Infineon Technologies will work closely with you to support your requirements during this transition.

## **Type of Change Notification:**

Die attach material change

## **Description of Change:**

To qualify new die material AB8062T from Henkel to be used with automotive grade SO-8 in Carsem

## **Reason for the Change:**

Discontinuance of die attach material AB2600AT by supplier Henkel

## **Effect Date:**

Wednesday, March 30, 2016

Infineon Technologies will consider this change approved and will implement it by the effective date unless specific conditions of acceptance or data requests are provided in writing within 30 days of receipt of this notice. Please submit conditions of acceptance and data requests to the PCN coordinator listed at the end of this notice.

## **Impact of Change:**

There is no impact to form, fit or function to the part

## **Method of Identifying Changed Product:**

Date Code and Lot Code information

## **Products Affected:**

**Qualification:**

Part passed all the reliability testing requirements. Reliability qualification report is available upon request. Samples with new die attach material are available upon request.

**Supporting Data Availability:**

Contact Infineon Technologies for supporting data on this change.
